Rhonda Spivey - teacher representative
Katie Borgmeier - teacher representative
Melinda Van Komen - parent representative (chair)
Beth Kunz - parent representative
Brigette Comish - parent representative
Shauna Eccles - parent representative
DeeAnn Gibson - PTSA President

Welcome

Approval of February 2017 Meeting Minutes: No changes were requested. Beth Kunz made a motion to approve the minutes and Brigitte Comish seconded the motion. The motion passed unanimously.

Fundraising: Mrs. Taylor distributed the fundraising report for the council to review. There had been no substantive changes made.

Arena Scheduling: Mrs. Taylor passed out the calendar for Arena scheduling. Scheduling has begun with JATC first phase finished. Counselors will be making presentations during history classes in the next few weeks. The Arena Scheduling Window will be open for all students beginning June 5 and continuing through the first week of school. Enrollment projections are 2200 students for 2017-18. Ms. Gough hopes to have hiring complete by April 21.

LAND Trust Plan Review: Ms. Gough walked us through projected expenditures in the finalized LAND Trust Plan and reviewed with the ways in which they line up with the council's priorities. Council members will be receiving online instructions to sign the plan before it is submitted to the state.

Other Items of Note: The JSD school board approved turf fields for RHS and two other high schools. Mrs. Gough encourages council members to clear up any confusion about the funding among friends and neighbors. (The funding for the fields comes from funds the school board had been saving for new construction in the event the bond did not pass. With the bond money now available, existing schools will have more freedom to make improvements and repairs.) The school is also looking at expanding the weight room, the cafeteria and the parking lot in the future.

Next Meeting: The next meeting will be April 26, 2017 at 5pm in room 1130.

Adjournment: Beth Kunz motioned to adjourn. DeeAnn Gibson seconded the motion.
