**AUTHORIZATION FOR
PARTICIPATION IN
STUDENT CLUB 2017-2018**

Student Name: _____

Club Name: _____

I am the custodial parent or legal guardian of the student named above (“my student”), who is currently a student at Riverton High School. I understand that my student wishes to participate in the student club or organization named above at the school (“this club”). If a club is authorized by the school, that authorization allows the club to use certain school premises and facilities, but does not mean that the club is an organization of the school. I understand that membership and participation in this club are voluntary. I understand that this club is not sponsored by the school, and is directed by the student officers of this club. During approved club meeting on school premises, a district employee will be present for custodial purposes. The role of the district employee is limited to protecting and overseeing the use of the school’s property and facilities. A district employee will normally not be present at activities off of school premises.

Clubs are authorized by the school based on its stated purposes and activities as set forth in the club application and charter. I understand that I may make arrangements to inspect a copy of the application and charter of this club, which describes the nature, purposes, structure, and other information about this club. I am satisfied that, by either obtaining information from my student or by inspecting the club charter, or both, I have sufficient information about this club to make an informed decision regarding my student’s participation in this club. With all of these considerations in mind, I authorize my student’s participation in this club. I further understand that my consent may be withdrawn at any time by my notifying the school in writing of that withdrawal of consent.
