Dear Students and Parents:

Students will be registering, scheduling, and changing their classes for the 2017-2018 school year using the on-line **Arena Scheduling** program through the Jordan School District “Skyward” software as they did last year. This opportunity allows students to select their classes, teachers, and periods of instruction. This program was implemented to provide students with greater choices and more opportunities to develop schedules that best fit their future goals, plans, and interests.

It is essential that students and parents familiarize themselves with registration and scheduling procedures, deadlines, and orientation meetings. Students and parents are invited to attend assemblies and orientations as listed below to become better acquainted with this process. Please make note of the following dates:
