To the Parents/Guardians of:

Dear Students and Parents:

Students will be scheduling and making changes to their classes for the 2018-2019 school year using the on-line **Arena Scheduling** program through the Jordan School District “Skyward” software as RHS has done for the past few years. This opportunity allows students to select their classes, teachers, and periods of instruction. This program was implemented to provide students with greater choices and more opportunities to develop schedules that best fit their future goals, plans, and interests.

It is essential that students and parents familiarize themselves with registration and scheduling procedures, deadlines, and orientation meetings.
