Junior Request Planner

Required 11th grade classes:

Language Arts: Consider taking *an AP class if you earn A's & B's in Language Arts*

- Language Arts 11
- Language Arts 11 H
- AP Language an Composition
- AP English Literature

Math:

- Secondary Math 3
- Secondary Math 3H
- If you have completed Math 3 take 1.0 credit of an upper level math

Science:

- Review your graduation requirements – you need 2 core and 1 applied science credit.
- IF you are applying for the Regents Scholarship make sure you have taken Biology, Physics and Chemistry (in any order)

Social Studies:

- US History
- AP US History

Recommended Courses:

Financial Literacy
Digital Studies
World Language: 2 years of the same foreign language required for Regents Scholarship and some colleges.

IF you are interested in doing a JATC Course senior year, make sure to schedule all of your PE and Art credits for this year so you can fit a program in next year!

Check Skyward to identify remaining courses you need for graduation. Take advantage of JATC, Concurrent, AP and CTE courses for college and career preparation
