Friday Flex Learning Plan

Jordan School District has approved a schedule of in-person instruction Monday-Thursday with a Friday “Flex” day through December 2020. According to the reopening plan (found [here](#)), *“Students will not be required to attend in person on Fridays. Fridays will be structured around meeting individual student needs and extending learning from earlier in the week. Teachers will have flexibility in providing individual or small-group instruction (in person or virtually).”*

Riverton High School would like to notify you about what Friday will look like for all courses.

On Fridays, teachers can/will ask specific students to come into school, or student can voluntarily come to school for:

- Retakes and make-up (assessments, assignments, labs, etc.)
- Extension time for projects & assignments
- Re-teaching opportunities for students needing additional help

Fridays are not intended as a vacation from education; student learning and improvement is expected to take place. We believe that if we take advantage of this unique opportunity of having Friday Flex time, we will be able to provide greater assistance for students in need and those who want to raise their grades.

Even though actual classes will not be held on Fridays, each Friday will be designated as either an “A” or “B” Friday. While all students may seek additional assistance on Fridays, this A and B designation will help teachers organize specific tutoring and instruction for groups of students while maintaining social distancing in person. See the attached calendar for “A” and “B” Fridays through December 2020.

Each Friday will follow a shortened class schedule which will help teachers provide assistance to students both in person and virtually while avoiding overlapping or competing with other teachers' scheduled time to help students. There will be flexibility for students who may need to come in during a time that is not their regularly scheduled class period, but in the event of any conflicts, we will default to this established schedule.

FAQs

- **Do all students need to attend school on Fridays?**
No. Teachers will ask and remind specific students to come to school on Friday. Any student may also come in to meet with their teachers voluntarily without being asked.
- **How will students know they are needed on a Friday?**
Teachers will notify students before Wednesday each week.
- **Will my student be penalized if they do not attend on Fridays?**
No. Students will not be penalized if they do not attend on Fridays. Friday Flex time will be used specifically to RAISE student grades and aid student understanding.

- **Can my student meet with their teacher online on Fridays?**

Yes. Each teacher will have virtual office hours. Students can schedule a time to meet with their teacher via Canvas Conferences, Zoom, etc. during conference hours. This should be discussed prior to Friday. Check with individual teachers for their virtual office hours.

- **Will there be assistance to help students get to school on Fridays?**

Yes. There will be an abbreviated bus schedule that will assist students without their own means of transportation to participate in Friday Flex time. Be aware however, that the bus will not arrive before 12:00. For transportation schedules and information please contact: 801-567-8840.

We are excited to extend Friday Flex time to all RHS students! **Help us help YOU!** More information regarding schedules and availability will be provided by individual teachers.
