

Tickets for our varsity football season this year at Riverton High School are extremely limited. Our stadium can only be filled to 25% of capacity due to covid-19 pandemic.. Tickets this season will be by invitation first. Any unsold tickets will be sold to the general public starting on Thursday at noon the week of the game. There will be **NO** walk up tickets sales for any home football game. All those with an invitation and code must purchase their tickets by Thursday at noon the week of the game. Tickets can be purchased by going to <https://rivertonathletics.com/> and clicking on the tickets box at the top right corner of the page. Follow the sign in directions from that point and then bring a printed or electronic copy to the game. The general public will follow the same process but will not need a code

Please note that there will be no re-entry into the stadium. Once you come in, you will not be allowed to leave and come back in. Please wear your face mask during the event and maintain a 6 foot social distance between you and people not in your household. Entry to the game will begin at 6:00 pm. Please do not arrive before this time as all gates will be locked and no one will be allowed in. Please sit in your assigned section for the ticket you purchase. This will be used for contact tracing purposes. All home fans will enter/exit on the north end by concessions and visiting fans will enter/exit on the south end.

Because of the limited number of fans, we will also be live-streaming the games each week. Anybody can also just go to [live.ksl.com](https://www.ksl.com) at any time and find it on the schedule there.

Thank you for your understanding and patience.
